BTF820

FLAT SCREEN / VIDEO CONFERENCING TROLLEY

Part of B-Tech's Cantabria range of premium AV furniture, the BTF820 has a modern, stylish aesthetic quality that is ideally suited to high-end residential or commercial applications. Manufactured in Europe, this flat screen trolley is produced to a very high standard, with a sleek design that features a high gloss finish and concealed cable management. Optional VC camera and video codec shelves are included as standard, making the BTF820 ideal for use as a mobile video conferencing solution.
